

Where passionate kids connect with like minds

It's great sharing ideas and I really like meeting other people from all around New Zealand.

Clubs is a FREE and exciting new online programme for curious Year 2-10 kids. Scan the QR code to learn more or visit www.neurodiversity.org.nz/clubs

Where passionate kids connect with like minds

It's really cool
to share what you
love with people
who love the
same thing.

Where passionate kids connect with like minds

You get to
try new things
you might
not even know
you like. It's
such a neat
experience!

Where passionate kids connect with like minds

Maths was one of the things that made me believe in school again. Mathematicians Club is the best!

Where passionate kids connect with like minds

The opportunities for kids to connect with others who have the same interests and strengths are amazing.
