

Young
Neurodiversity
Champions

BE THE CHANGE

Join us as a Young Neurodiversity Champion in 2024!

The Young Neurodiversity Champions are a group of young New Zealanders standing up to change the way we think about neurodiversity and support young people in our education system.

Applications due 17 March 2024.

I have found a group of people who I feel super relaxed with, and who are quirky and think outside of the box like myself. We can stand up for other neurodiverse young people, and be a beacon of light.

Tom, 17, Young Neurodiversity Champion
